Findings

The school is a signatory to the *Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021* established under section 534 of the Education and Training Act 2020. The school has attested that it complies with all aspects of the Code and has completed an annual self-review of its implementation of the Code.

At the time of this review there were eight international students attending the school, and no exchange students.

The school is using NZQA requirements as a working document for their annual self-review process which is robust and regularly monitored. The school provides a responsive learning programme as part of the Steiner curriculum and the progress of each international student is monitored.

All international students at this school are here with their parents and there are various opportunities for families to connect with the community. The Liaison Officer in charge of international students oversees the social and pastoral care needs of children and their families.
